1. Limited lifetime: For products purchased after December 1, 2014 the warranty extends only for as long as the original bona fide end user continues to own or use the product.
2. Limited lifetime: For products purchased after December 1, 2015 the warranty extends only for as long as the original bona fide end user continues to own or use the product, limited to five (5) years from the end of sale date.
3. Limited lifetime: For products purchased after November 1, 2016 the warranty extends only for as long as the original bona fide end user continues to own or use the product, limited to five (5) years from the end of sale date.
4. Limited lifetime: For products purchased after November 1st, 2019, the warranty extends only for as long as the original end user owns the product, up through five (5) years after the end of sale date. You may be required to provide proof of purchase of lease as a condition of receiving warranty service. Select products may require registration of your product (serial number and contact information).
5. Response times are based on local standard business days and working hours. Response times begin once HPE has completed confirming the warranty failure and identifying the replacement part. Response time is based on commercially reasonable effort. In some countries and regions and under certain supplier constraints, response time may vary. If your location is outside the customary service zone, response time may be longer. Contact your local HPE service organization for response time availability in your area.
