1. Limited lifetime (for products purchased after December 1, 2014 the warranty extends only for as long as the original bona fide end user continues to own or use the product)

2. Limited lifetime (for products purchased after December 1, 2015 the warranty extends only for as long as the original bona fide end user continues to own or use the product, limited to five (5) years from the end of sale date.)

3. Limited lifetime (for products purchased after November 1, 2016 the warranty extends only for as long as the original bona fide end user continues to own or use the product, limited to five (5) years from the end of sale date.)

4. Response times are based on local standard business days and working hours. Response times begin once HPE has completed confirming the warranty failure and identifying the replacement part. Response time is based on commercially reasonable effort. In some countries and regions and under certain supplier constraints, response time may vary. If your location is outside the customary service zone, response time may be longer. Contact your local HPE service organization for response time availability in your area.

5. HPE will replace or repair any non-compliant Product and return it in operable condition, shipping after HPE's receipt of the non-compliant Product via HPE's RMA procedure, with receipt by customer within ten (10) days on a commercially reasonable basis.

The only warranties for HPE products and services are set forth in the express warranty statements accompanying such products and services. Nothing herein should be construed as constituting an additional warranty. HPE shall not be liable for technical or editorial errors or omissions contained herein.
