Quick pick: Which HPE iLO license is right for me?

Trial license: Free 60-day

You can sign up for a 60-day free trial iLO license to test drive our licensed features.

⚠ CAUTION: Installing a previously purchased HPE iLO Advanced Premium Security Edition free evaluation license on a HPE Gen10 Server with an active iLO license (your purchased iLO License) will overwrite the existing iLO license. Be sure to record your existing iLO license before applying the trial license.

Use one of the following methods to record and retrieve your existing license:

- Register your key at the Licensing Portal. Follow the instructions on your License Entitlement Certificate OR your email if you purchased an electronic license.
- Use the Back Up and Restore feature prior to applying this trial license key.

NOTE: If you have already signed up and applied a trial license to your server, you will not be able to do this. The free trial license key can only be applied to your server once.

HPE iLO license options overview

⚠ IMPORTANT:

- **HPE iLO Support for Standard Features**—iLO standard features support is covered under the hardware warranty for your server.
- **HPE iLO Support for Licensed Features**—Purchasing one (1) and three (3) year support licenses refers to the length of the support agreement for **licensed iLO features**. When you register your license, HPE prepares a support agreement. Once the support agreement expires, you can continue to use licensed features. However, support for those licensed features is not available. You have the option to renew licensed features support.
- HPE iLO licenses **do not expire**. Once it is installed on the server, the license will remain on that server even if the license support expires. Licenses are valid for the life of the server on which they are installed.
- HPE iLO license options vary by server platform and sales region. For a detailed list of options available for a specific product number, see [HPE iLO license product numbers \(SKUs\)](#).

Beginning the license options selection process

Procedure

1. To determine the best purchasing option, select the options that best meets your needs in the table below.

iLO Advanced license options

Supported servers: All HPE servers with iLO, and Moonshot cartridges with iLO used in an Edgeline chassis.

Includes: A full set of robust iLO features, and additionally, after the release of iLO 5 v1.40, all the features previously only included in iLO Advanced Premium Security Edition license.

NOTE: If you are licensing an HPE Server Edgeline Chassis and require iLO Advanced features, you must purchase an iLO Advanced license for EACH cartridge in the enclosure. Select the quantity of iLO licenses based on the number of server cartridges.

If you are ordering more than five (5) iLO licenses, HPE recommends that you review our Flexible Quantity or Tracking/Activation Key Agreement Licenses.

Purchasing options:

- Single server (1-10 servers): **Advanced Single-server**
- Flexible quantity (11-99 servers): **Advanced Flexible Quantity**
- Pay as you go AKA/Tracking (100 or more servers): **Advanced Pay as you go volume (AKA/Tracking)**

Installation options:

- Self-installed
- Preinstalled

Delivery options:

- Paper/Physical
- Electronic

2. In the table, click the purchasing options link that corresponds to your selection to go to **HPE iLO license product numbers (SKUs)** and determine the license product number that matches your installation, delivery, and support requirements.

HPE iLO license product numbers (SKUs)

The following tables list available HPE iLO license product numbers (SKUs) and the delivery, support, and registration options available for each.

NOTE: To insure that iLO single-server physical licenses are installed at the factory at no extra cost, you must include 0D1 option in the product number SKU as shown in the following tables.

❗ **IMPORTANT:**

- You are entitled to a one (1) or a three (3) year support contract on licensed features.

NOTE: iLO Standard features are supported under the Server Hardware Warranty.

- iLO license part numbers ending in #0D1 are factory pre-installed iLO licenses. They are installed at an HPE factory at NO extra charge. This ensures your iLO Advanced features are ready to go once you set up your server.
- After your one (1) or three (3) year support contract expires, your HPE iLO licensed features still work, and are enabled. However, you will not have HPE support for those licensed features.
- HPE iLO licenses **do not expire**. Once it is installed on the server, the license will remain on that server even if the license support expires. Licenses are valid for the life of the server on which they are installed.
- HPE iLO standard features are shipped at no extra cost as part of your server purchase.
- The HPE Server Edgeline Chassis supports Server Cartridges with iLO. If you require iLO Advanced features, you must purchase an iLO Advanced license for EACH cartridge in the enclosure. Select the quantity of iLO licenses based on the number of server cartridges.

If you are ordering more than five (5) iLO licenses, HPE recommends that you review our Flexible Quantity or Tracking/Activation Key Agreement Licenses.

Product number	Delivery	Support term for licensed features ^{1,2}	Is this HPE factory installed/preinstalled? (the recommended option) ³	Description
512485-B21	Physical	1-year 24x7	No	NOT HPE Factory Installed/Pre-installed HPE iLO Advanced 1-server License with 1yr Support on iLO Licensed Features ⁴
512485-B21 #0D1	Physical	1-year 24x7	Yes	HPE Factory Installed/Pre-installed HPE iLO Advanced 1-server License with 1yr Support on iLO Licensed Features - Factory Installed/Pre-installed
BD505A	Physical	3-year 24x7	No	NOT HPE Factory Installed/Pre-installed HPE iLO Advanced 1-server License with 3yr Support on iLO Licensed Features
BD505A #0D1	Physical	3-year 24x7	Yes	HPE Factory Installed/Pre-installed HPE iLO Advanced 1-server License with 3yr Support on iLO Licensed Features - Factory Installed/Pre-installed
E6U59ABE	Electronic	1-year 24x7	No	NOT HPE Factory Installed/Pre-installed HPE iLO Advanced Electronic License with 1yr Support on iLO Licensed Features
E6U64ABE	Electronic	3-year 24x7	No	NOT HPE Factory Installed/Pre-installed HPE iLO Advanced Electronic License with 3yr Support on iLO Licensed Features

¹ You are entitled to a one (1) or a three (3) year support contract on licensed features. After your one (1) or three (3) year support contract expires, your iLO licensed features still work, and are enabled. However, you will not have HPE support for those licensed features. Your licenses do not expire. They are valid for the life of the server on which they are applied.

² iLO standard features and firmware updates are supported under the Server Hardware Warranty Contract. iLO firmware updates are available at <http://www.hpe.com/support/iLO5>.

³ When selecting factory pre-installed (#0D1) iLO licenses, you can only buy one (1) license per server purchased on the same order. If you need to buy more than one (1) license, either select more servers OR select an iLO NON pre-installed license.

⁴ License registration is not available in the Americas (AMS) and Asia Pacific or Japan (APJ) regions for these licenses. Your license key is printed on the installations instructions that are shipped with your order. Retain this key for your records and to obtain support.

Support

HPE iLO licensing support contact addresses

NOTE:

- To obtain support, you must provide proof of a license purchase.
 - You cannot exchange a license that is redeemed (activated).
-

- Americas: licensing.ams@hpe.com
- Europe, Middle East, and Africa: licensing.emea@hpe.com
- Asia-Pacific and Japan: licensing.apj@hpe.com

Obtaining your Service Agreement ID (SAID) and accessing updates

The SAID is a 12 digit number assigned for entitlement to a service agreement contract. You must have a SAID to access HPE Technical Support and Software Updates for HPE hardware and software products.

When your license is registered on the **My License Portal**, you receive a Welcome to Support letter or email that includes your SAID, along with other contract information.

After you receive your SAID, you can link it to your HPE Passport account so that you can access updates directly from the Software updates and licensing portal (<http://www.hpe.com/downloads/software>).

Procedure

1. Go to the Hewlett Packard Enterprise Support Center at www.hpe.com/support/hpesc and log in using your HPE Passport account.
2. On the left navigation menu, click **Manage my contracts & warranties**.
3. Click **Link support agreements** and follow the instructions.

To access software updates if you have not yet linked your SAID to your HPE Passport account:

- Go to the Software updates and licensing portal at <http://www.hpe.com/downloads/software>, and sign in with your HPE Passport account.
- Select **Directly enter an SAID**, enter your SAID, and click **View available products**.

Renewals for iLO license technical support and software updates

All iLO license activation keys are sold with 1 year or 3 years included HPE Foundation Care 24 x 7 technical support. Once the support reaches the expiration date, you will receive a notification letter and offer for additional support coverage. Contact your HPE account representative or reseller if you do not receive the renewal offer letter before your support expiration date. For continued software updates support, ensure that the HPE hardware product used with your iLO license maintains a valid warranty or support maintenance agreement.

Support and other resources

Accessing Hewlett Packard Enterprise Support

- For live assistance, go to the Contact Hewlett Packard Enterprise Worldwide website:
<http://www.hpe.com/assistance>
- To access documentation and support services, go to the Hewlett Packard Enterprise Support Center website:
<http://www.hpe.com/support/hpesc>

Information to collect

- Technical support registration number (if applicable)
- Product name, model or version, and serial number
- Operating system name and version
- Firmware version
- Error messages
- Product-specific reports and logs
- Add-on products or components
- Third-party products or components

Accessing updates

- Some software products provide a mechanism for accessing software updates through the product interface. Review your product documentation to identify the recommended software update method.
- To download product updates:
Hewlett Packard Enterprise Support Center
www.hpe.com/support/hpesc
Hewlett Packard Enterprise Support Center: Software downloads
www.hpe.com/support/downloads
Software Depot
www.hpe.com/support/softwaredepot
- To subscribe to eNewsletters and alerts:
www.hpe.com/support/e-updates
- To view and update your entitlements, and to link your contracts and warranties with your profile, go to the Hewlett Packard Enterprise Support Center **More Information on Access to Support Materials** page:
www.hpe.com/support/AccessToSupportMaterials

 **IMPORTANT:** Access to some updates might require product entitlement when accessed through the Hewlett Packard Enterprise Support Center. You must have an HPE Passport set up with relevant entitlements.

Customer self repair

Hewlett Packard Enterprise customer self repair (CSR) programs allow you to repair your product. If a CSR part needs to be replaced, it will be shipped directly to you so that you can install it at your convenience. Some parts do not qualify for CSR. Your Hewlett Packard Enterprise authorized service provider will determine whether a repair can be accomplished by CSR.

For more information about CSR, contact your local service provider or go to the CSR website:

<http://www.hpe.com/support/selfrepair>

Remote support

Remote support is available with supported devices as part of your warranty or contractual support agreement. It provides intelligent event diagnosis, and automatic, secure submission of hardware event notifications to Hewlett Packard Enterprise, which will initiate a fast and accurate resolution based on your product's service level. Hewlett Packard Enterprise strongly recommends that you register your device for remote support.

If your product includes additional remote support details, use search to locate that information.

Additional regulatory information

Hewlett Packard Enterprise is committed to providing our customers with information about the chemical substances in our products as needed to comply with legal requirements such as REACH (Regulation EC No 1907/2006 of the European Parliament and the Council). A chemical information report for this product can be found at:

www.hpe.com/info/reach

For Hewlett Packard Enterprise product environmental and safety information and compliance data, including RoHS and REACH, see:

www.hpe.com/info/ecodata

For Hewlett Packard Enterprise environmental information, including company programs, product recycling, and energy efficiency, see:

www.hpe.com/info/environment

Documentation feedback

Hewlett Packard Enterprise is committed to providing documentation that meets your needs. To help us improve the documentation, send any errors, suggestions, or comments to Documentation Feedback (**docsfeedback@hpe.com**). When submitting your feedback, include the document title, part number, edition, and publication date located on the front cover of the document. For online help content, include the product name, product version, help edition, and publication date located on the legal notices page.
