HPE Helion OpenStack 3.x
HPE Helion OpenStack 4.x
HPE Helion OpenStack 5.x
HPE Helion Carrier Grade 2.x
HPE Helion Carrier Grade 4.x
HPE Helion Ready certification documents
HPE Helion OpenStack release notes
HPE Helion OpenStack user guide
HPE Helion OpenStack operations guide

Issue

unavailability of docs.hpcloud.com due to HPE rebranding

Cause

HPE branding of documentation for HPE Helion documentation

Resolution

Due to the fact that our existing HPE Helion OpenStack documentation site <https://docs.hpcloud.com> is made obsolete all HPE Helion OpenStack documentation is moved off from the site and is placed on our HPE documentation store for support being <https://www.hpe.com/support/HPESC>.

Below are direct links to several important HPE Helion OpenStack documents; remaining documents can all be found using the below FTP site.

HPE Helion OpenStack 5.x: [Release Notes](#) [Complete documentation](#) [5.0.3 Release Notes](#)

HPE Helion OpenStack 4.x: [Release Notes](#) [Complete documentation](#) [4.0.6 Release Notes](#)

HPE Helion OpenStack 3.x: [Release Notes](#) [Complete documentation](#) [3.0.5 Release Notes](#)

HPE Helion OpenStack 2.x: [Release Notes](#) [Complete documentation](#)

[HPE Helion OpenStack lifecycle support statement](#)

All HPE Helion documentation as earlier available on docs.hpcloud.com: <ftp://hosdocs:LQ2im!YU@ftp.ext.hpe.com>

The vanity URL for this knowledge document is <https://hpe.com/Helion/docs>

As the above password for the FTP site might change every 180 days it is suggested that customer bookmark the vanity URL as above.

Customers that need support on HPE Helion Openstack can engage the HPE Cloud Center of Excellence for support through:

<https://hpe.com/Helion/support>

How to provide feedback on any of the above documents:

1. Within the HPESC portal: click on the top right **green vertical bar** stating: "Feedback".

This brings up a new embedded 'Feedback' window that can be used to enter all required feedback or enhancements that need to be incorporated.

If needed screenshots or related files can be attached as well to the feedback form.

2. HPESC 'Ask site support': <https://support.hpe.com/hpesc/usageSupport> (this requires a login to HPE Passport account)

Fill in this form with the topic: "Request Follow" and enter as URL the exact URL of the document that needs an update.

This document will be regular updated when more information becomes available.
